

## ***The Belonging Collection***

*The Belonging Collection* is a kit for secondary school teachers. The DVD-ROM, “Choosing Our Future: Jean Vanier in Conversation with Secondary School Students,” has several short video clips and questions to stimulate student reflection and in-class discussion on the kind of society they want to help build and the elements that go into such a society. It is suitable for Civics, Social Justice, and Guidance or Leadership programs.

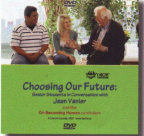

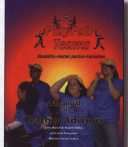

The second main component of the kit is the PlayFair Teams material. It is an 8-week extra-curricular club that creates an inclusive student community around the creation and presentation of a short drama or other group project.

The third component of the kit is the 65 page booklet “Equity, Social Justice, Disability and Secondary Schools: What Regular Subject Teachers Can Do” by Gary Bunch, Rima Al-Salah, and Jack Pearpoint. It contains many useful suggestions for teachers and also has pages on the Circle of Friends and on the planning tools, MAPs and PATH.

*The Belonging Collection* is sold through L’Arche Canada or Inclusion Press (\$65 plus shipping): [education@larche.ca](mailto:education@larche.ca) or [inclusionpress@inclusion.com](mailto:inclusionpress@inclusion.com)
