

A Workshop on Safety with a Special Focus on Women with Intellectual Disabilities

Connectability.ca

Connectability.ca offers a six week workshop called “Safety Includes Me.” It is a workshop especially for women living with an intellectual disability who have experienced violence. It is for those who would like to be involved in violence prevention and education work. The content of the program was developed with the input of women living with intellectual disabilities.

To learn more, visit: <http://connectability.ca/2010/09/28/safety-includes-me/>

There is also a downloadable manual for the six week course on their website. It can be used by educators or support people seeking to ensure that the people with disabilities they work with know how to stay safe.

To download the manual, visit: http://connectability.ca/Garage/wp-content/uploads/files/safety/csi_manual.pdf
