

Cell Phone and Internet Safety

This part of the connectABILITY.ca website gives you more rules about cell phone safety: <http://connectability.ca/2010/09/28/cell-phone-and-internet-safety/>

It gives more rules about internet safety. Read them over. Follow these rules.

It also gives guidelines for being polite on the internet and when using a cell phone.

Another website from Community Living BC gives good advice on internet safety: <http://www.icanbesafeonline.com/>

**This website gave us some of the ideas for our safety section.*
